

## “Bring Em’ Back Home!” *Whitlock Motors*

It’s been said that the strongest force on earth isn’t gravity ... it’s family. As Forward Cody looks toward relocating businesses and workforce to the community, a natural place to start is with people we already know.

Last year, Forward Cody kicked off a program, “**Bring Em’ Back Home – Families Create Lasting Jobs,**” toward that goal. The program’s goal is straight forward, simply ask your kids or grandkids the question, “Could you or your business be located in Cody?” If the answer is “Yes” or “Maybe”, then let Forward Cody help!

One “Yes” just happened at Whitlock Motors! After 13 years selling cars in Cody, Brett and Cathy Whitlock asked their son, Chase about coming home. He said “YES” and so he, along with his wife Stephanie, left Vernal, Utah and came home to join the family business. Stephanie is a Powell native. Chase started work last week and will eventually take over the reins of the company, “Where Our Name Means a Great Deal.” Stop in and

reintroduce yourself to Chase and welcome him back home!

As the Whitlock family has found, “**Bring Em’ Back Home**” is much more than a business transaction. It is a reuniting of families, neighborhoods and the community as a whole. As we all invest greatly in the care and upbringing of the youth of our community, it is unfortunate that those youth seem to be our greatest export commodity.

Have you asked your kids about coming home lately? The Whitlocks did and are glad they asked!
